## Useful Information on Workshop 2

Thu, 2011/07/07 - 13:13 — Ralf Popp, edacentrum GmbH, DE

The NANO-TEC management team announces the tentative programme of the second NANO-TEC workshop, which will focus on the Benchmarking activity of of New Beyond CMOS device/design concepts. Read below to find out about the tentative list of sessions and speakers and how to register to the workshop. Deadline for registration is 30 September 2011.

### Registration and Accommodation

#### Registration:

##### No registration fee:

Registration and attendance of the workshop is free of charge subject to availability (100 persons including speakers).

##### Working groups of day 2:

While registering, please remember to select the working group discussions in which you would like to participate on day 2 of the workshop. please note that you can take part in more than one working group as long as they do not overlap with each other, and subject to availability (15 persons maximum per discussion). Groups will be arranged on a first-come, first-serve basis.

##### Catering and excursion:

Also, please remember to specify your attendance to the meals and the excursions, it will help us in the organizational aspects.

##### How to register:

If you already attended the previous NANO-TEC workshop held in January 2011 in Granada, please use the same login details retrieved at the time of registering to that event, by filling them in at the following link:

<https://www.fp7-nanotec.eu/user/login?destination=node%2F474> <sup>[1]</sup>

If you have not attended the first workshop and do not have a username and a password, please register online at the following link:

<https://www.fp7-nanotec.eu/user/register?destination=node%2F474>

<sup>[2]</sup>After you have activated your account, please login and register to the even through the following link:

<https://www.fp7-nanotec.eu/user/login?destination=node%2F474> <sup>[1]</sup>

<sup>[1]</sup>

**Deadline for registration to the second workshop, including abstract submission: 30 September 2011**

**Announcement of accepted posters: 5 October 2011**

#### Accommodation Suggestions:

Please find below some hotel recommendations within walking distance from the workshop venue and the agreed rates. The organization will not make any booking for accommodation except for the speakers, therefore we kindly ask you to make sure that you book your accommodation on time, as several other conferences are taking places in Athens at the same time, and hotels will soon get fully booked.
